

2019 Recital Costumes Payments

As we all know costumes cost can be very costly, in efforts to keep the cost affordable we are estimating the costumes to cost **\$60 per class (if your child is in a combo class there will be 3 to 4 costumes for this class we will try our best to use convertible costumes for the classes)** this price **will NOT include tights, shoes, or undergarments(optional for recital only)**. Please make a **minimum deposit of \$100.00 on or prior to October 31, 2018** towards costume cost. DTD will provide the total cost of your childs costume fees by January 2019. Final payments for all costume balances will be due no later than March 30, 2019. We will be accepting deposits starting October thru March. We expect all of our students to participate in the recital as they work very hard and each deserve the chance to showcase what they have learned. Please inform the office as soon as possible if you have any issues meeting these dates and also with any questions or concerns.
